

fastglmLib::GLMFamily

```
graph BT; A[fastglmLib::GaussianIdentity] --> B[fastglmLib::GLMFamily]
```

A diagram illustrating a relationship between two classes. At the bottom, a solid black box contains the text "fastglmLib::GaussianIdentity". A vertical arrow points upwards from the center of this box to a dashed horizontal line. Above this line, the text "fastglmLib::GLMFamily" is displayed. The dashed line appears to be the top boundary of a container for the text above it.

fastglmLib::GaussianIdentity
